

# 4th Australian Security and Intelligence Conference

## Call for Papers

5-7 December 2011  
Perth, Western Australia

The aim of the 4th Australian Security and Intelligence Conference (ASIC 2011) is to provide a multi-disciplined conference directed towards the research and practice of Security Science. For the purpose of the conference, disciplines may include strategic studies, international politics, criminology, business and management, information science, political science, etc. Nevertheless, the conference focuses on further exploring the core areas of Security Science.

Papers are invited, but not limited to, the following areas:

- Concept of security
- Security policy
- The private and public security debate
- The security industry
- Intelligence and counter-intelligence
- Resilience
- Personnel security vetting
- Security risk management
- Personnel security vetting
- Security decay
- Security Science education
- Security management
- Security technology, such as CCTV, access control, detectors, etc
- Other related Security Science research

Submissions to the conference are expected to report substantial research results relevant for the subjects listed above.

All submitted papers will be double blind peer reviewed.
